Rugged Tablet Portfolio

Extremely Tough. Exceptionally Tailored.

Merely Rugged is
Not Enough

Get a tablet tailored for you from the world leader in rugged mobile computing.

There are lots of rugged tablets available. But when you're committed to setting a higher standard, you need a tablet that's not only rugged, but also smart. One not forcing you to adjust to its abilities. One that, like you, is determined to rise above and achieve something remarkable. For Zebra, toughness is just the start; the real goal is far reaching, high achieving and uniquely defined by you.

Reimagine your workday with a purpose-built tablet that's tailored to work your way. Roam far with outstanding wireless capabilities. Capture and communicate on the go. Whatever your work requires, Windows 10 or Android, you get true rugged performance beyond the industry's highest testing standards. Stay ahead with an innovative tablet that's highly secure, fully configurable, simple to deploy, and works how and where you do.

Choose your level of durability, display size, form factor, operating system, processing power and accessories from the pages of this guide. Learn how Zebra can support and enable you like no other.

Now, you can bring your biggest goals within easy reach. You've already got the determination and skill to get there. Why not power your own abilities to their highest with the global market leader in rugged mobile computers? It's a clear choice. Zebra tablets are tough, reliable, powerful, and built for a purpose...yours.

Power Your Best Work with Zebra

Wherever work takes you, no matter the conditions, perform your best. True mobility is designed specifically for your environment, applications and challenges—whether inside your own workplace or outside in the harsh elements. Here's how Zebra can give you the performance edge for your industry.

Transportation and Logistics
Deliver non-stop service from the first mile to the last

- Traceability
- Quality assurance
- Asset and facility

Field Mobility
Empower your team wherever the job takes them

- Mobile dispatch
- Work order management
- Asset tracking
- Maintenance/inspection
- Meter reading
- Vegetation management

Rugged Enterprise Tablets

Surprisingly rugged, thin and lightweight for everyday use.

ET51/ET56

Flexibility for a wide variety of use cases

- Windows or Android OS
- Choose 8 in. or 10 in. screen, easy to read in bright daylight
- WLAN for inside or WAN for the road, outstanding roaming, locationing and connectivity
- Lightest Zebra tablets and fully rugged design, withstands drops, bangs, bumps, dust and liquids
- Swappable batteries, replace batteries onsite and hot swap with an auxiliary battery
- Available with integrated scanner and payment solution option

R12 XSlate Rugged Tablet

Spectacular screen size on a lightweight rugged tablet

- 12.5 in. sunlight-viewable Active Display, easy to view in direct sunlight
- Large screen is good for vehicle mounting, while lightweight enough to still carry
- Customizable to meet any user's needs, even as a 2-in-1
- Four CPU choices plus touch, pen, scanner and camera inputs
- Rugged to handle harsh environments
- RFID and scanner options
- Award-winning, under 3-lbs design
- Visibility, durability and features you need—in one tablet

L10 Rugged Tablets

Choice of three form factors, multiple CPUs, Windows® or Android™

L10 XSlate
Rugged Tablet

Unmatched durability with
the ultimate in connectivity

- Stronger than steel magnesium frame; lighter than aluminum
- Traditional slate; thinnest & lightest L10
- IP65, with port covers open, and 6 ft. operating drop rating
- Attachable keyboard creates a true 2-in-1 laptop/tablet
- Gorilla® Glass and auto-sensing glove/wet-touch technology function in rain, snow and cold

L10 XPad
Rugged Tablet

Integrated handle gives you added power

- All the features of the XSlate, plus a rigid handle for easy transport
- Perfectly balanced, ergonomic design for easy portability
- Optional, in-handle barcode scanner expedites data entry
- Supports optional, clip-on keyboard for 2-in-1 use
- Durability and scanning power—in hand.

L10 XBook
Rugged Tablet

Not your ordinary 2-in-1

- Ideal laptop replacement
- XSlate plus fully functional, removable keyboard
- Attached kickstrap combines rotating hand-strap with kickstand for use on the move or flat surfaces
- Enter long-form data with ease. Pull it out of a vehicle dock and clip on the keyboard. Use it on the tailgate or at your desk

Global Services

Maximize uptime and ROI

Constant, peak performance and device uptime. That's the upside of protecting your Zebra investment while also reducing device vulnerabilities with our support services. Eliminate the unexpected disruptions and unbudgeted repair expenses and so much more. Whether you need comprehensive coverage, advanced device replacement, on-site support, assistance with technical issues, software support, or visibility into your contracts, repair data, tech support cases, there's a Zebra OneCare™ Support Service that's right for you.* And you can optimize and customize your support services to fit your specific business-critical needs with additional flexible service enhancements that provide expedited repair and shipping, battery maintenance, device commissioning and configuration, managed services and more. Zebra's portfolio of services provides expertise every step of the way.

Zebra OneCare™ Support Services

Zebra Support Services protects the investment in the devices that run your business by maximizing predictable performance and uptime to support your critical operations and improve business outcomes.

Zebra Signature Services

Zebra Signature Services makes it easier to integrate new technologies into your existing IT environments and workflows. Data insights from edge technologies can open up new business opportunities, but without the right skills or resources, you could miss out on the full benefits. Zebra Signature Services gives you the expertise to optimize the adoption of edge-data solutions to run your business more productively.

Video on Device allows you to use instructional videos on any Zebra Android mobile computing device to quickly bring employees up to speed and reduce the adoption time of new technologies.

Software Integration creates a migration pathway for legacy mobile apps to help you quickly and cost-effectively customize mobile applications into your Zebra mobile devices, making it easier for you to manage your software.

Zebra VisibilityIQ™ Services

Zebra VisibilityIQ™ Services gives you data-driven, actionable insights when and how you need them. Get a clear view into how your devices are performing and know what next steps can push up productivity and drive down costs.

Zebra **VisibilityIQ**™ Foresight
Powered by Zebra Savanna™
